### **Tell THE Story**

[equiptoengage.org/story](https://equiptoengage.org/story)

Tell THE Story is a simple, interactive method for telling a Bible story accurately. After the story, listeners engage in the story by responding to open ended questions. Together the group discovers deep truths as each person shares their perspective. This method boosts the level of engagement of participants and retention of God's Word. Tell THE Story can be used with children, youth and/or adults. This is a tool for Sunday school teachers, small group leaders, Bible study leaders, pastors and anyone who teaches God's Word.
