

EQUIP TO ENGAGE

Quality, Affordable, Local Leadership Development for Children's Leaders

INTRODUCING Equip to Engage Regional Connectors

What are Equip to Engage Regional Connectors?

They are dynamic leaders serving in Children's Ministry in the Church of the Nazarene. They are volunteers and are NOT leaving their current place of service! They are joining the work of Equip to Engage to better help us connect with local and district children's leaders as well as to be a resource to these leaders regarding ministry to children and families. They will be participating in the SPARKs on their region to be an additional support and resource and to meet children's leaders.

Why is Equip to Engage adding Regional Connectors?

Through the pandemic, Equip to Engage has grown with what we offer. We now have multiple opportunities online, SPARKs are back to happening in-person, we have consulting opportunities, and more camps in which we have the pleasure to be speakers; these are exciting days!! As we are trying to be good stewards of what's happening, we believe the best way to help more children's leaders is Regional Connectors!

The Journey from Saint to Santa

Equip to Engage is excited to offer something new! We have been wanting to do this for a few years, and in 2021 we did a test presentation. It went well! So, we are booking dates for 2022.

It is a journey of the historical Saint Nicholas as he transforms through centuries of legend and folklore into today's Santa Claus.

An interactive event for all ages that shares about Saint Nicholas' dedication to God, generosity, and love for others, and that we can be inspired to do the same.

The Journey from Saint to Santa is available from November 29 - December 23, 2022. Contact Trey at trey@equiptoengage.org for information about open dates and cost.
